1. **Answer the question or task completely.** Explain or prove how you know your answer is correct.
2. **Make sure all of your team members have correct answers.** Also, make sure that all of your team members can answer follow-up questions or prove the answer.
3. **Raise your hand and quietly wait to be checked.** If the teacher is with another team and you will have to wait longer than a minute, have one team member keep his or her hand raised while your team starts the next question.
4. When you have been approved, each person take **ONE** turn at the game you are playing.
5. **Repeat Steps 1-4** with another question or task.
