

# How to Assign a Google Form to Your Students

Before you start, make sure you are logged in to the Google Account you use with your students.

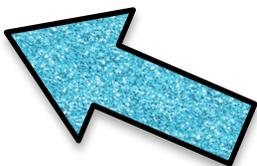

Click on the link for the Google Form you purchased. It will prompt you to make a copy. Click "Make a Copy" and save it to your Google Drive. Now you have your own copy to use and edit!

Accepting responses

Summary Question Individual

**When viewing student responses, you can see the overall average and frequently missed questions.**

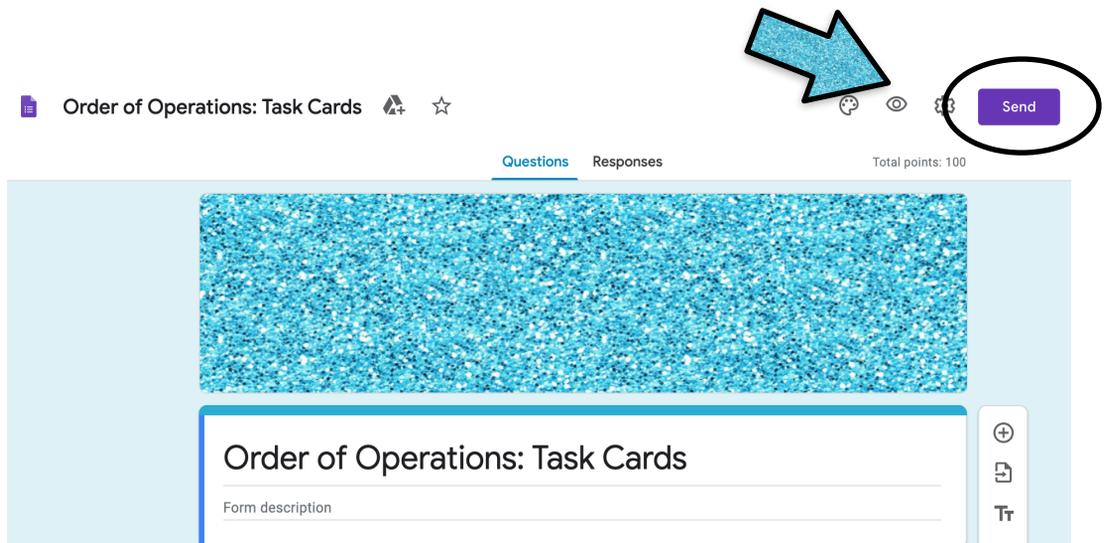

**You can also view responses by question or by individual student!**

**Stop accepting responses after the due date! If you turn off responses, the students will not be able to complete the form even with the link.**

**Now, let's look at how to assign your Google Form to your students!**

# Option 1: Share the link with your students.

At the top right corner of your form, click the "Send" button.
